The things that most helped my learning in this course were:

#### Students

Professor Benton forcing me to find the answers to my own questions.

The things that most hindered my learning in this course were:

#### Students

I had to teach myself at times.

I have the following suggestions for improving this course:

#### Students

Maybe have the students do more tutorial based assignments.

What do you like about the instructor?

#### Students

I like how he is very relaxed and allows for a free learning environment.
